Team members: \_\_\_\_\_

Overall Score: \_\_\_\_\_

Category	4 - Exceptional	3 - Admirable	2 - Acceptable	1 - Poor
<b>Content</b> Did the presentation have valuable material, relevant to the project? Did it include data, algorithms, results and conclusion?	Presentation had an exceptional amount of valuable material and was extremely beneficial to the class and relevant to the project.	Presentation had a good amount of material and benefited them.	Presentation had moments where valuable material was present but as a whole content was lacking.	Presentation contained little to no valuable material.
<b>Collaboration</b> <i>Did everyone contribute to the presentation?</i> Did everyone seem well versed in the material?	The teammates always worked from others' ideas. It was evident that all of the group members contributed equally to the presentation.	The teammates worked from others' ideas most of the time. And it seems like every did some work, but some people are carrying the presentation.	The teammates sometimes worked from others' ideas. However, it seems as though certain people did not do as much work as others (or put forth as much effort).	The teammates never worked from others' ideas. It seems as though only a few people worked on the presentation or that everyone focused on their own presentation.
<b>Organization</b> Was the presentation well organized and easy to follow?	The presentation was well organized, well prepared and easy to follow.	The presentation had organizing ideas but could have been much stronger with better preparation.	There were minimal signs of organization or preparation.	The presentation lacked organization and had little evidence of preparation.
<b>Presentation</b> <i>Did the presenters speak clearly?</i> Did they engage the audience? Was it obvious the material had been rehearsed?	Presenters were all very confident in delivery and they did an excellent job of engaging the audience. Preparation is very evident.	Presenters were occasionally confident with their presentation however the presentation was not as engaging as it could have been.	Presenters were not consistent with the level of confidence/ preparedness they showed the audience but had some strong moments.	Presenters were unconfident and demonstrated little evidence of planning prior to the presentation.
